

Bridge Specs

11-13 inches long

2-4 inches wide

1-4 inches high

Make it as strong and as light as possible. The bridge with the best strength to weight ratio will get the best grade.

GRADING (based on highest strength to weight ratio)

1st - 100

2nd - 99

3rd - 98

4th - 8th - 96

9th - 13th - 94

14th - 18th - 92

Popsicle sticks may be sold back or bought at the price of 1 point per four sticks.

** For each 1/4 inch that the bridge is out of specs, you will lose one point**
