

MR. POPE

MST (MATH SCIENCE & TECHNOLOGY)

COURSE OUTLINE

This course focuses on fields which are deeply intertwined in the real world and in how students learn most effectively. MST is an interdisciplinary and applied approach that is coupled with hands-on and problem-based learning. Students will learn about various environmental issues and alternative energy concepts that are necessary to live a more sustainable lifestyle.

CLASS ROOM WEBSITE:

<http://mrpopotech.weebly.com/>

MATERIALS: Needed in class daily:

1. Folder or Binder (with loose leaf)
2. Pencil

Safety Goggles will be provided by the school for students to use in their Technology classroom.

CLASSROOM ROUTINE:

1. Students are to be on time*, in their seats and ready to begin work at the start of class.

*All school regulations regarding lateness and absence will be strictly enforced.

2. Give your best effort in class daily

GRADING POLICY:

1. PROJECTS (45%)
